THE BEAUTY BEHIND THE MITZVOS

Sefer ha-Chinuch (ספר החינוך Hebrew: "Book of Education", often simply "the Chinuch") is a work which systematically discusses the 613 commandments of the Torah. The work's enumeration of the commandments is based upon Maimonides' system of counting as per his Sefer Hamitzvot; each is listed according to its appearance in the weekly Torah portion and the work is structured correspondingly. The work remains popular to this day. The philosophic portions are widely quoted and taught, while the legal discussion provides the basis for much further study in yeshivot.

Join Rabbi Geiger for an hour of learning and refreshments in his home.
