

GOD AND SCIENCE

Where did we come from?

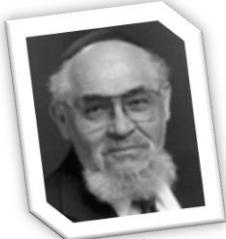

Where are we going?

Are science and faith compatible?

Queens Jewish Center
66-05 108th Street
Forest Hills

**The Queens Jewish Center presents...
The Salvit Memorial Lecture**

For the Love of God
The Interface of Science & Halacha

Rabbi Dr. Moses Tendler

Dr. Moses D. Tendler, noted authority on medical ethics and the relationship of medicine and science to Jewish law, serves in a dual capacity as professor of biology at Yeshiva College and as a rosh yeshiva (professor of Talmud) at the Yeshiva University's Rabbi Isaac Elchanan Theological Seminary (RIETS).

Sunday, February 15, 2009 – 7:30 PM
